

## PROMOTIONAL PACKAGE

Thank you for supporting the **2025 STEM Discovery Campaign**, a joint international initiative co-organized with the [NBS EduWORLD project](#). The initiative invites educators and all interested stakeholders across Europe and beyond to celebrate careers and studies in the fields of Science, Technology, Engineering and Mathematics (STEM).

We have created a simple-to-use **promotional package** to assist you with online promotion of the campaign and Scientix Awards, including pre-written **messages** and **visual materials** that only need to be copied and pasted on your social media accounts.

### KEY ACTIONS YOU CAN TAKE TO PROMOTE THE #SDC25

1. Use the suggested messages and visuals for dissemination on your social media channels.
2. Include on your posts the **#SDC25** hashtag, tagging @scientix\_eu on [X](#), [Instagram](#), and [Facebook](#), and @STEMAlliance on [LinkedIn](#).
3. Share the information about the **#SDC25** and/or an activity you are organising or participating in. Do not forget to mention us!
4. React to our posts tagging in comments your colleagues or organisations that might be interested in joining the campaign. Spread the news on your network!
5. Become a partner of the 2025 STEM Discovery Campaign by adding to your web and/or newsletter our information. You can access to our easy-to-use [guide for partners here](#).
